The NATIONAL BROWNFIELDS 2008 Conference comes to Detroit May 5 - 7, 2008. Have you registered?

Consider marketing your development ready property at the TRANSACTION FORUM on the morning of May 5.

A unique feature of the Brownfields Conference is the Transaction Forum, which brings together property owners with developers, investors and financiers to talk about specific sites available for purchase, lease and new uses. At the 2006 Brownfields Conference in Boston, 500 buyers, sellers and other stakeholders involved with development ready properties attended the Transaction Forum. The 2008 Forum promises to be just as exciting. The Forum will be held on the morning of first day of the conference, May 5. Registration for the Conference and the Forum are now open.

The National Brownfields Conference is managed the International City/County Management Association, in partnership with the EPA. More then 120 organizations, including many in Southeast Michigan, have endorsed this event. We hope you will join us in Detroit this spring.

Registration is FREE. For more information: www.brownfields2008.org
